

## APPENDIX 532 Standard

## APPENDIX 1

The commission fees may differ for each account type the Client opens with the Company. Information about the account types are published on the Company website but may be revised from time to time.

*Commission amounts:*

- 1) For Standard Accounts: 5 points of the spread per round lot
- 2) For Premium Accounts: 3 points of the spread per round lot
- 3) For VIP Accounts: 2 points of the spread per round lot

*Commission calculation Details:*

Account	FX in Points	Commodities in Points	Shares in Points	Crypto in Points	Indices in Points	Futures in Points
Standard	5	5	6	30	5	6
Premium	3	3	6	30	3	6
VIP	2	2	6	30	2	6

**Formula:** Lots \* Contract Size \* Point Size \* Points = resulting quote currency

Ex 1: Standard account: 1 Lot on EURUSD- =  $1 * 100000 * 0.00001 * 5 = 5 \text{ USD}$

Ex 2: Premium account: 1 lot on EURNOK! =  $1 * 100000 * 0.00001 * 3 = 3 \text{ NOK}$

Ex 3: VIP account: 10 Lots on Amazon =  $10 * 100 * 0.01 * 6 = 60 \text{ USD}$

Ex 4: Standard account: 1 Lot on BTCUSD =  $1 * 1 * 0.01 * 30 = 0.3 \text{ USD}$

Ex 5: Premium account: 1 lot on USTEC =  $1 * 1 * 0.01 * 3 = 0.03 \text{ USD}$

*The above commissions rates are applicable - in case you do not have Sub IB reduction. Otherwise the commission is shared equally as per your requirement.*

All commission types are pre-approved and agreed upon and the referrer must sign the end Appendix upon acceptance.

Withdrawable commission calculations are performed on a monthly basis, between 1st – 10th (working) day of each month, for the previous month. Upon concluding calculations, the withdrawable amount will appear in the IB portal area
